About the Cover

The Haunted Mansion celebrated its 40th birthday at Walt Disney World in September 2011 with a special event that included a presentation by Disney imagineers Pete Carsillo, Eric Goodman, Jason Grandt and Jason Surrell. They felt that the Haunted Mansion was truly Walt's final project, and not Pirates of the Caribbean as is widely thought. This image from a DISTherapy [blog post](#) shows a "ghost" organist playing at the event on a Haunted Mansion themed set.

Debbie and Ric Bretschneider describe their award-winning BayCon masquerade entry, *On Loan from the Haunted Mansion* starting on page 11.
