About the Cover

An art nouveau gold and enamel brooch by Gaston Lafitte c. 1904 is recreated in the Laguna Beach, California Festival of Arts' 2016 Pageant of the Masters summer presentation of "Partners." The Pageant presents *tableaux vivants* or "living pictures" depicting the work of great artists using live people. Costume Director Reagan Foy tells us why hundreds of volunteers spend countless hours to put on this production every year. Her article begins on page 42. Photo POM.
