About the Cover

SFO Museum's exhibition "Stepping Out: Shoes in World Cultures" is a very unusual exhibition in a very unusual location: in the International Terminal of the San Francisco International Airport. In her interview article, "Curating a World Shoe Exhibition," Nicole Curator talks about curating the exhibition.

Coincidentally, the exhibition and this issue share the theme, "Stepping Out." The cover artwork, based on a poster for the exhibition, is a celebration of both. Read Nicole's interview starting on page 35.
