About the Cover

Justin Johnson as “Oberon” casts a magical spell on Mackenzie Dray as “Demetrius” in a photo from a 2009 production of Shakespeare's *Midsummer Nights Dream*. Costume designer Tara Maginnis placed a green screen in the green room, and asked her actors to pose in fanciful positions. Then she used simple photo editing software to place them in outdoor settings photographed in her own back yard. Learn how you can use these techniques to transport yourself and friends into fantasy worlds of your own, starting on page 7.
